ITEM 9. REGULATION FD DISCLOSURE

MAXIMUS, Inc. ("MAXIMUS" or the "Company") is filing this Current Report on Form 8-K to disclose certain financial information reflecting a reorganization of its principal operating segments from two groups to three groups as if the Company had historically operated under three groups.

In October 2000, the Company reorganized its divisions into three groups (the Government Operations Group, the Consulting Group and the Systems Group) in order to better focus and manage the Company's existing and future technology assets. The Company's core technology assets have been moved to the newly-created Systems Group. The divisions now included in the Systems Group are Carrera-MAXIMUS, CSI-MAXIMUS, Public Systems, Intelligent Technologies, and CCI-MAXIMUS (formerly part of the Information Technology Division). The core consulting divisions such as Systems Planning and Integration, Human Services, Spectrum-MAXIMUS and DMG-MAXIMUS remain in the Consulting Group.

The Company is herein providing certain financial segment information for earlier periods to reflect this change in the composition of its reportable segments as if the Company had operated under three groups rather than two groups during the last two fiscal years. This information is being provided for comparison purposes only. In all future filings, MAXIMUS will provide similar financial segment information for each of the Government Operations Group, the Consulting Group and the Systems Group.
