The fiscal 2015 guidance also includes estimated revenue and earnings related to new business awards currently in contract negotiation and probability-weighted sales pipeline opportunities.

The Company is in the process of completing its fiscal year 2014 audit and will report earnings for the fiscal year ended September 30, 2014 on November 13, 2014. The Company presently expects that it will report fiscal 2014 revenue that will be at the mid-point of its guidance range of \$1.68 billion to \$1.73 billion.
